# Is Isonomy a Catholic Organ

The error of Brother Moore is found in the fact that he does not distinguish between religion and religious institutions. He fails fully to realize that religion is to many men what atheism is to him—the means of a livelihood, or the attempted path to fame and power. If the "liberals" of the country should succeed in organizing themselves into a political party and get possession of the government, there is no reason to doubt

ANSWER.

The above is from Reed's Isomony for December, which is very much the best issue of that magazine that I have ever read. The above article is evidently by Armstrong, who while he is, nominally, the tail of Isomony's editorial force, evidently wags the dog.

There is nothing, so far as I know, in the nature of the thing, which would prevent our making a new reading of this passage of Isenomy that I would not be willing to print in the Blade, without condemnation, except perhaps, in the case of a woman, and would not be a waste of the usual aid of a liquor-house—does not seem to be a saloon—and I do not claim to do any better than that for I take money from the people, and I have, several times, been called in from the street, by Tom Lyons, an Irish catholic saloon keeper, to get the money that he had put in my hands, and I have given it to the town from whom I have ever gone in and received the money, and received the good wishes of his maid-

James' philosophy are as follows: "An with men individually so it is with them collectively." Carlyle said "London has three million people, mostly fools," therefore Carlyle meant to say that all the men in London, including himself, were fools.

"It is also an axiom that what is essentially true of a part of a thing is true of the whole of it." There

fine business competency, and a nice fortune to start on, I am now a very poor man.

for each of the persons who subscribe for the book and ask that so-  
venir of the Holy Land."
